# Local flavours

Looking to treat yourself to some fresh local products? Montérégie features countless orchards to explore, and boasts one of the largest offerings in Québec with regards to vineyards and cider houses. Visit our maple groves, cheese factories and local product stores, or get away from the traffic jams for a few hours and enjoy a change of scenery by visiting a local farm. And not just any farm! Along your way, you'll come across alpacas, goats, horses, cows, chicken, rabbits, bees and even butterflies, just a few minutes away from Montreal.

## Montérégie-West

**The Montérégie-Ouest is a rural and peaceful region whos geography is marked by the omnipresence of water. This territory is sure to appeal to nature lovers, who are seduced by the many outdoor activities offered.**

### Coteau-du-Lac

During the summer, Coteau-du-Lac comes to life with outdoor shows, waterfront activities and water sports (electric surfing, windsurfing, SUP, kayaking. Rentals available). Just 5 km off the Soulanges bike path, you'll find a cornucopia of local fare, including vineyards, artisanal bakeries, vegetable farms and sunflower fields. Coteau-du-Lac is also known for its performance and reception hall, the Pavillon Wilson.

### Franklin

With its rural landscapes characterized by the beauty of its orchards, maple groves and stone walls along the panoramic Route 202, the municipality of Franklin also boasts a rich built heritage and century-old churches. Visitors can enjoy a bike ride, an outing of pick-your-own berries and apples, as well as visit its microbreweries, cidery, distillery, meadery, bakery, breeding farms, spa and lavender fields. Various campsites enhance the region's tourism offer.

### Notre-Dame-de-l'Île-Perrot
