# Les deux boucles du Richelieu

This circuit of out-and-backs skirts the Richelieu river along historical lands steeped in heritage. You'll cross numerous towns, among Qu bec's and the Richelieu valley's most treasured, inviting you to stop for a cultural interlude and good food.

Watching pleasure boaters cruise the river against the backdrop of Mont Saint-Hilaire is among the many gems these town settings have to offer. Vehicular traffic is heavier on certain segments, making this circuit especially suitable for seasoned cyclists.
